## Sponsorship Opportunities

### WHAT IS TRINO SUMMIT?

Trino Summit, December 13-14, is a virtual event that brings together engineers, data analysts, and anyone else who may consider themselves to be a Trino contributor or user. As the biggest Trino event of the year, we're excited to bring together professionals from all over big data and analytics so the community can share experiences, insights, make connections, and learn from each other.

### HOW MANY REGISTRANTS DO WE EXPECT?

Virtual attendees: 600

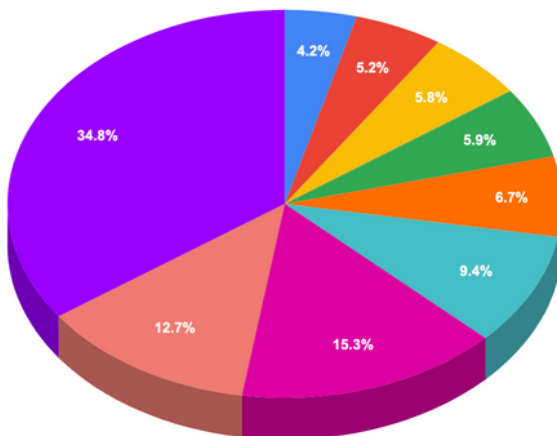

### WHAT IS THE BENEFIT TO YOU?

Access to a community of data engineers, open-source is a driven community looking to access the best solutions to move their projects forward.
